

## Implementation of head tags

This is how I implemented my header:

```
<header class="header">
  <a href="#" class="Welcome"> Welcome</a>

  <nav class="navbar">
    <a href="Nike.html">Nike </a>
  <a href="Puma.html"> Puma </a>
  <a href="adidas.html"> Adidas </a>
  <a href="anta.html"> Anta </a>
  <a href="video.html"> Videos</a>
```
