

Implementation of Favicon

This is how I implement the Favicon to my website:

```
<link rel="icon" href="homepagefavicon.jpg" />  
  <link rel="icon" href="faviconnike.png" />  
    <link rel="icon" href="faviconpuma.png" />  
<link rel="icon" href="faviconadidas.png" />  
  <link rel="icon" href="faviconanta.webp" />  
<link rel="icon" href="videosfavivon.jpg" />
```
